Elect Officers For Board At Hulmeville-Middletown

Mrs. Alice Pickett, Woodbourne, was elected president of Hulmeville-Middletown joint board, for a current year at its organization meeting held at Langhorne high school last week.

Kenneth Comly of Penndel, was elected secretary, and Miss Marie Hanson, Hulmeville, treasurer. The Peoples National Bank and Trust Company at Langhorne was named the depository for the joint board.

It is announced by superintendent of Bucks County schools, Charles H. Boehm, that in previous years Hulmeville board officers operated the joint board, and charged tuition for Middletown pupils. With the mass resignation of Hulmeville board in July, it became necessary, it is stated, to name officers for the Hulmeville-Middletown board. "This procedure conforms with the new state law," Mr. Boehm says.

Puppets Displayed To Countryside Questers

SOLEBURY, Sept. 23—A visit to the studio of Forrest C. Crooks, here, was participated in by the Countryside Questers this week, it being the first get-together of members for the season.

Members first met for a tour of the Calvert property; and after luncheon motored to the Crooks studio where Mr. Crooks had arranged his favorite puppets and properties that make up the sets.

Describing his work, Mr. Crooks said a large amount of research is required, and many hours are spent in acquiring the exact measurements. It takes about a week, he said, to make the body of a puppet, and one set he exhibited and explained was an 1840 cobbler's shop. Everything in it was made by hand. The set included an open cupboard with shelves that held many pairs of boots and shoes, ladder back chair, the cobbler's bench with all the tiny tools, the cobbler himself and his wife with broom in hand waiting to sweep up the bits of leather which had been dropped to the floor.

Mr. Crooks took the visitors on a tour of inspection of his workshop and described the tools he uses.

GLEANED BY SCRIBES

A Sellersville woman, Mrs. Ruth Melvin, 48, colored, was fatally burned, and her husband injured when a gasoline stove exploded in their home on Sunday.

Other employees are to be added and production stepped-up on work at the Kaiser Fleetwing plant until the production schedule is reached.

In a talk before the Bristol Rotary Club on June 17, it was stated by Ralph Collett, Works Manager of the local plant, "barring unforeseen factors and problems, Kaiser Fleetwings may more than quadruple its plant personnel within the next year," and that the 373 persons at that time employed may be expanded to 1500 by the end of the year, if present production plans are completed.

The couple, whose condition prevented their giving details of the accident, were alone in their one-story brick bungalow preparing dinner at the time. The nearest neighbor, a block away, saw the man crawl from the house.

Firemen were summoned, and Mrs. Melvin was later found at the bottom of the cellar steps. She apparently had been knocked down the steps by the blast.

Firemen found the kitchen walls scorched when they arrived, but no fire had broken out after the explosion flames died down.

A SUMMARY OF THE NEWS

Washington handed to Ambassador Panayushkin yesterday a note calling for a clear-cut reply from Russia on the Berlin crisis. Notes also were sent to Russia by Paris and London. A Paris report said that Moscow's reply would determine whether four-power talks should be continued or the issue be turned over to the United Nations by the three Western powers.

Foreign Secretary Bevin, who returned to London from Paris to address the Commons, declared that "Berlin stands out now as the symbol of resistance." He made it clear there would be no appeasement of Russia.

The Palestine situation became more involved when Arab ambushed a United Nations convoy near Latrun, killing four persons, including an American, and wounding three others.

In speaking to the Commons, Mr. Bevin marked the end of Britain's opposition to partition of the Holy Land by giving "whole-hearted and unqualified support" to the Bernadotte recommendations. Israel, expressing willingness to explore the proposals, hesitated over internationalizing Jerusalem and opposed ceding the Negev to the Arabs.

Production of Doors For Kaiser and Frazer Cars Now Underway

EXPECT TO ADD MORE

The number of employees at the Kaiser Fleetwing plant here is being increased to care for the activity necessary in the production of doors for the Kaiser-Frazer automobiles.

These doors now much in demand

with the production of the new models of Kaiser-Frazer cars are in production at the Fleetwing plant and this necessitates the hiring of 250 additional employees within a three-week period. Approximately 125 of the 250 have thus far been engaged and others are to be added as the program progresses.

LOWER BUCKS BRANCH

With Mrs. Fred Watts presiding, the September meeting of Lower Bucks Co. Branch (Bristol district), American Red Cross, was held in Red Cross headquarters on Mill street on Monday. Mrs. Anthony Burton, chairman of Junior Red Cross, announced her committee-women for the year. She also gave enrollment figures for the schools last term, in preparation for enrollment this year, the weeks of October 4-15. Children will donate money at that time for service to children at home and abroad, 80% of this

National Children's Fund, being retained in the home town. The money is also used for service to wounded veterans, and the Juniors intercultural and international understanding program.

DECLINE IN SAVINGS

National statistics show that the rate of savings by the American people is turning downward.

Savings banks report a drop in their deposits for the first time since prewar years. There had been for seven years the sharpest rise in savings in all history.

The reason for this has not been analyzed. No one can be sure people are drawing on their savings for current living expenses. They could be buying homes or converting savings into durable goods.

Whatever the reason, it is undeniably a deflationary trend, not a trend threatening a sharp break in the boom, but one that is in the direction of less inflationary pressure on prices. The smaller the pool of savings and credit, the less it will contribute to inflation.

As the vast backlog of deposited earnings declines, there will be less demand for goods, especially with tightened restrictions on deferred payments. This is a phase of the economy which students of economics are watching carefully. When prices reach a point at which they are unattractive, the business index will turn downward unless the government's \$40,000,000,000 expenditures are boosted still higher to keep the bubble from bursting.

PLEASING PROSPECT

In almost direct contrast with conditions at this time last year the great Southwest wheat empire is turning up for another bountiful crop. Subsols are soaked, while recent rains have provided topsoil moisture so advantageous to seeding.

Last fall the grain went into dry ground, great areas of it as dry as dust. The outlook was gloomy throughout the winter and early spring months. Ideal conditions later brought the crop through to the second largest yield in history.

With sufficient moisture at seeding time, winter pasture is assured. As a result thousands of head of sheep and cattle will fatten on the wheat, saving much grain and other dry feed and bringing revenue to the farmer. There was little pasture last winter because of the drought.

Kansas and adjacent states will plant a record acreage to wheat this fall. Wheat has become the biggest money crop in the Southwest, contributing greatly to the prosperity of the farmers. At the moment the prospect is pleasing in the nation's breadbasket.

from their test flights, particularly those off Paul Karp, William Kopak and Charles Rauch who should make an excellent team at the championship meet.

At last week's meeting the members of the club were shown several movies on aviation subjects. In the future, movies are planned for nearly every meeting. It was unanimously voted that the meeting might be changed from Wednesday to Tuesday, effective after Oct. 1st. Several beginner members in the Croydon area have dropped from the active membership roll, but many more members from the Bristol area have joined of late to give the club an increase in number.

Much has been written lately in aviation circles over the value of this hobby to aviation engineering. Through the knowledge of aircraft design and internal combustion engines gained through designing models and trouble-shooting these small engines many model builders develop an interest to pursue studies in the various fields of engineering. Some of today's top aircraft engineers and designers were model builders only a few years ago.

For Andalusia School**

ANDALUSIA, Sept. 23—Andalusia Parent-Teacher Association met in Andalusia school on Monday evening, for the first meeting of the current school year. New officers assumed their duties. Mrs. Raymond Vickers presided, and Mrs. Carolyn Rhodes offered prayer. The association presented to Mrs. Clifford Sommerfeld a president's pin, she having served as president for the past two years.

The new teachers and former teachers were introduced, they being: Mrs. Francis Murphy, 1st grade; Mrs. Dora Harding, 2nd grade; Mrs. Carolyn Rhodes, 3rd and 4th grades; Mrs. M. Watson, 5th grade; and Mrs. Iona Stump, 6th grade. The new janitor, J. Jones, was also introduced.

A motion was passed that P. T. A. relinquish sponsorship of Andalusia Boy Scout Troop, No. 17, in order that such may be assumed by Andalusia Lions Club, which is offering sponsorship to all scouting units in the town. James Pettit, neighborhood commissioner of the Boy Scouts, was present.

It was stated that new toilets have been purchased and are awaiting installation. A new drinking fountain has been placed in the school yard, and new fountains in the school building. The basement kitchen has been modernized with a new sink, running water, and overhead cabinets. Chairman of refreshments committee, Mrs. Stanley Smith, made a request for per-

lators and tea towels; and J. Maurice Tomlinson, a member of the school board, offered to donate a percolator and tea kettle. Membership committee, in charge of Mrs. Harold Weinland, plans a concerted membership drive during the coming month.

Attendance banner was won by the 3rd and 4th grades.

Cake and coffee were served to 45 by Mrs. Stanley Smith and Mrs. Dorothy Wright.

EDGELY, Sept. 23—A supper was served in the basement of St. Paul's Episcopal Church, last evening, in honor of the Rev. William P. Remington, suffragan bishop of the Diocese of Pennsylvania; and Christopher Sims, lay reader, in charge, who is leaving the local church to return to Harvard University to complete his studies.

Walter Fagan introduced Bishop Remington, who told of some of his experiences as a missionary bishop in South Dakota and Alaska.

Mr. Fagan then presented a farewell gift from the congregation to Mr. Sims. Mr. Sims said that he enjoyed being in Edgely this past summer.

The Rev. William Warren, Morrisville, was asked to speak. He is the officiating pastor of St. Paul's Episcopal Church.

Arthur S. Musson, Jenkintown, was also introduced. He will be the new lay reader in charge.

All adjourned to the Church where service was held.

AUCTIONS—LEGALS**NOTICE**

To the General Public, and to Lizzie Grier, her heirs, executors or administrators, or to all persons who have or claim to have any right, title or interest in the lots of land described as follows:

All those certain lots of land being lots 64 to 67 inclusive, Leamington Land Company, situate in the Township of Bristol, County of Bucks and State of Pennsylvania.

Whereas, the County Commissioners of Bucks County are the owners of the above-mentioned lots of land by virtue of certain County Treasurers' sales for delinquent taxes authorized by the laws of the Commonwealth of Pennsylvania purchased by claim at a County Treasurer's Sale for Delinquent Taxes held April 4, 1938.

Whereas, the said County Commissioners are authorized by Act of Assembly of 1933, May 25, P.L. 1019, to sell, in the said County, lands, which are the said County Commissioners have presented a Petition to the Court of Common Pleas of Bucks County in accordance with the Act of Assembly mentioned, praying the said Court to set a time for hearing and, inter alia, to order them, the said County Commissioners, to make and deliver unto the said Commissioner & Clerk of the County Commissioners Deed for the proper conveying of said lots to them.

Therefore you, and each of you are hereby notified that the said Court has fixed the time for the hearing on the said Petition for October 4th, 1948, in the Court House at Doylestown, at 1:30 o'clock P.M. and you may appear and show cause if any you have, why the said Court should not grant the prayer contained in said petition.

Tea Is Arranged At Burton Residence This Afternoon

Mrs. Anthony Burton will entertain at tea this afternoon at her home, 502 Radcliffe street, members of the Junior Red Cross committee.

The invitation list is inclusive of: Mrs. Robert B. Hance, Jr., Langhorne; Mrs. Fred Watts, Mrs. Frank B. Davenport, Falls township; Mrs. Russell W. DeLong, Mrs. Edward E. Priestly, Mrs. Walter W. Pitzenka, Mrs. Mearie Scheil, Mrs. Francis Lefferts, Mrs. Frank W. Waggoner, Mrs. Paul D. Brown, Mrs. James E. Harvison, Mrs. Arthur Phipps, Mrs. Charles Gindhart, Mrs. Maximilian M. Lawrence, of Bristol and Bristol township; Mrs. C. Burnley White, Andalusia.

The group will outline plans for the ensuing year, with discussion on enrollment drive in the schools of Bristol district, October 1st to 15th; and discussion on continuation of the dental project which it is the hope of members to carry out for Bristol township schools this year. Last year the dental program was conducted in Bristol borough schools.

Dear Father in Heaven, there

come to us times when we need

Thy Divine comfort. Strengthen

us for the grief we must bear;

Heal our tormented souls and

minds when accident, loss, dis-

ease and displeasure come our

way. Make us to see Thy guiding

hand in the universe and in our

lives. When we are doubtful

and fearful, come to us with Thy

Holy Spirit and speak Thy words

of assurance and calm. Comfort

the bereaved, heal the sick, and

find the lost we beseech Thee.

May we understand Thy will for

us in all things all the days of

our lives. We pray through

Jesus Christ our Lord. AMEN.

The group will outline plans for

the ensuing year, with discussion

on enrollment drive in the schools

of Bristol district, October 1st to

15th; and discussion on continua-

tion of the dental project which it

is the hope of members to carry

out for Bristol township schools

this year. Last year the dental pro-

gram was conducted in Bristol bor-

ough schools.

and Mrs. Joseph McDonough, Drexel Hill.

Mr. and Mrs. Harry Berry, Wilson avenue, with Mr. and Mrs. W. K. Berry, Philadelphia, were Sunday guests of Mr. and Mrs. John J. Berry, West Oak Lane.

Mrs. William Michalsky, Fairview Lane, who has been a patient in Abington Hospital was operated upon Monday.

ST. ANN'S LOSES ITS OPENER BY A ONE-POINT MARGIN

A perfect placement kick by Dick Dudas gave the Norristown Red Roses a close 7-6 victory over St. Ann's A. A. last night under the lights on the Bristol high school field in the season's opening game for the "Saints."

Dudas, former star of the Pennsylvania School for Deaf, was sent into the fray purposely to try for the extra point after the Roses had scored their touchdown in the second period. The former PSD back booted the ball squarely between the uprights for what proved to be the deciding point of the hard-fought fracas.

Too many fumbles spoiled the coaching debut of "Jack" Hinkel, formerly of the Philadelphia Eagles, who is now coaching St. Ann's. The "Saints" lost the ball on many occasions because of bobbling the ball. The most disastrous fumble came in the final period after the Purple and Gold had reached the Norristown four-yard line.

St. Ann's outplayed their opponents in all departments of the game. It racked up a total of 12 first downs while the winners had four. Two of Norristown's first downs were passes which led to their only score of the game. The "Saints" completed more passes and the few that were missed hurt scoring chances.

It was one of "Mickey" Stradling's passes which gave the Wood Streeters their score late in the second period. The aerial, caught by "Howie" Keys, was good for 17 yards and climaxed an 80-yard drive, culminated in three first downs. The "Saints" had two opportunities on the extra-point try. The first was a place-kick by "Teddy" Sak but this was blocked. As Norristown was offside, St. Ann's was given the ball on another try. This time, Stradling passed and the ball dropped out of the receiver's hand.

St. Ann's tore off two first downs immediately after the kickoff. People ripped off eight yards and after Hertzog stopped Caucci, Pistelli made a first on the 41. Caucci and Pistelli on two plays made a first down on the Norristown 40. St. Ann's was penalized 15 yards and after failing to gain, Pistelli kicked the 30. Sutcheon and Ross clicked off 10 yards for a first down on the 21. Three plays set back the Roses a yard so Kracunak kicked to Caucci who was forced out on his 31. Two penalties cost St. Ann's 10 yards and Schreiner lost five yards on a reverse. Pistelli's pass was intercepted by Roast on the St. Ann's 34. Three plays failed to gain so Roast heaved a pass to Andrews which was given to Norristown on the 15-yard line because of St. Ann's interference. Lelinski got Sutcheon for a yard loss as the quarter ended scoreless.

Both teams scored in the second session. An over-the-center pass was caught by Andrews for a first down on the two-yard line. Rossi gained a yard and a St. Ann's penalty put the ball one-half yard away from the final chalked stripe. After Sutcheon was stopped for a yard loss by "Teddy" Sak, Wasko pounded at center to barely cross the goal-line. Dudas kicked the conversion point, making the score 7-6, in favor of Norristown.

Dudas kicked off to St. Ann's, who completed three laterals to bring up the ball to the 25. St. Ann's fumbled and Smith recovered for the Roses. After three plays, Norristown attempted a field goal which was low. St. Ann's getting the ball on the 20, Caucci broke loose on an end run for 20 yards. Schreiner gained a first down at mid-field and a 15-yard penalty put the ball on the Norristown 35. Marion got off on an end run and was spilled on the 20. Stradling gained three yards and then tossed his touchdown pass to Keys who caught the ball over the goal line. The extra point try was a failure. The score at half-time was 7-6.

The third period saw the playing taking place in St. Ann's territory most of the time. St. Ann's had three fumbles in this quarter, all recovered by Norristown. In addition, a bad pass from center set the "Saints" back to the 32 yard line after they attempted to boot St. Ann's had two first downs in the quarter with Moe Caucci completing a 19-yard run. Norristown had a first down on a fake pass which

brought the ball to the St. Ann's 15 yard line.

After Rossi's run, Stan Lelinski recovered a fumble on the 20 to start the final quarter. After a pass failed, St. Ann's fumbled and Wasko got the ball for the Red Roses on the 25. Three passes were incomplete and the Wood Streeters got possession on their 25. Pistelli's pass was caught by Keys for a gain of 40 yards, bringing the pigskin to the Norristown 35. Stradling then passed to Hobert who caught the ball on the 10-yard line. Caucci hit center and was stopped by Hertzog on the 4-yard line. Within sight of Touchdown Land, St. Ann's again tumbled and "Jim" Heslin got the ball for Norristown. Kracunak got off a kick to the 35 and St. Ann's worked the ball to the 21-yard line on a completed pass. Marion carried the ball to the 6-yard line where the attack bogged down.

Rossi punted the ball back to the St. Ann's 30. Stradling tossed a 50-yard pass to Keys who had the ball and dropped it. Another pass was intercepted by Monaghan. Spada intercepted one for St. Ann's at mid-field. Pistelli to Hobert was a completed aerial for 9 yards and Pistelli's line smash made a first down on the Norristown 40. Pistelli whipped a pass to "Bill" Marion who was spilled by Wasko on the 20-yard line. But time ran out after Marion had gained six yards on a line play and two passes failed.

Before the tilt last night, the Chester W. Terchon Post, V. F. W. Cadets paraded and drilled while at half-time, the Robert W. Bracken Post, American Legion, cadets entertained the fans with music and drillings.

Prior to the opening kick-off, the St. Ann's midgets, 11 boys from the ages of ten down to five, dressed in football uniforms of the St. Ann's colors, gave a few warm up plays.

Bucks County Kiwanians Meet With Other Clubs

FEINDEL, Sept. 23—Bucks County Lincoln Highway Kiwanis Club members met with ten other clubs in a divisional meeting at Casa Conti, Glenside, on Tuesday.

After a repeat of prime ribs of beef au jus, MacDonald Benton assumed charge of the meeting in the role of toastmaster. A roll call of all the clubs was conducted, then Mr. Benton proceeded to introduce the Kiwanis dignitaries. Ray Gaul, past district governor, spoke briefly concerning convention preparations; past district governor, Don Matthews, greeted the audience, past district governor, Amon Rosenberger, limited his remarks to "Hello, folks." Miles Fisher, past district secretary, was present for the occasion; and there was district governor John Mooney who gave a spirited talk concerning Kiwanis and what it stands for. He said the success of Kiwanis Clubs depend not on the individual alone but the concerted effort of all members. "Committees must function efficiently in order to have a good club." He went on to say that "we must influence the spiritual, and must ex-

press ourselves for free enterprise. We must conserve our resources and bring management and labor to an understanding."

Following Governor Mooney's talk, Mr. Herrington led the group in several songs.

Past Lieut. Governor Carl Seifert introduced Samuel K. McConnell, Jr., a member of Congress, who spoke on the works of the 80th Congress. He elaborated on the tax reduction program, and spoke on labor-management relations. He dwelt upon veterans' legislation and the housing bills. He also spoke briefly on foreign affairs and inflation.

The meeting came to a close with singing of the "Star-Spangled Banner" and the pledge of allegiance to the flag.

NEWS OF INTEREST TO PA. FARMERS

By Jack Ward

(I.N.S. Penna. Farm Editor)

HARRISBURG, Sept. 23 — Farm-to-market roads in Pennsylvania's vast bituminous area have suffered widespread damage from heavily loaded trucks operating from strip mine operations.

State highway officials said approximately 92 miles of farm-to-market roads have been completely destroyed and 324 miles partially destroyed. Cost of the damage was estimated in excess of \$6,800,000.

"Few people realize the amount of coal shipping that is underway," the department said. "This type of mining has developed into big business due to the fact that coal strata lie close enough to the surface to make mining attractive and profitable."

Because they originally were designed for the convenience of farmers the rural roads cannot withstand heavy concentrated hauling required by stripping operations.

Damage is greatest during the spring break-up period, the department said, when road surfaces and bases are weakened to 50 per cent or less of their normal capacity.

To keep damage to a minimum,

the department imposed weight limits for each section of highway on the basis of records of previous years, the carrying capacity of the road, and evidence of frost and deterioration.

Load limits normally are in effect during March, April and May, the spring thaw period.

The department of highways is making every effort to keep these roads available for all types of hauling," officials explained. "However, when deterioration begins it is necessary that weight limits be imposed for the protection of the highway and the safety of the traffic."

The same instances meetings have been held with representatives of the coal companies to determine steps to be taken to protect the rural routes. In some cases the

SUGGESTS CHANGES

DOYLESTOWN, Sept. 23.—The grand jury upon visiting the various county buildings recommended that a modern air conditioning unit be installed to make it more pleasant, not only for the guests at the home but for the employees as well.

The Bucks County Grand Jury for the September term of court highly commended the management and operation of the Bucks County Prison, following an inspection of that institution by members of the panel.

The comment on the operation of the prison was made in the report filed by the Grand Jury at the office of the Clerk of Quarter Sessions Court. The report was signed by

The Jury commented on the neat appearance of the prison grounds and the interior of the buildings. The jurors reported that the amount of vegetables raised and preserved by the prisoners was gratifying. The purchase of a small riding tractor to assist in the cultivation of the 12-acre garden plot connected with the prison, was recommended.

The installation of an elevator at the County Home was recommended as most urgent, as well as more adequate fire protection in the form of fire extinguishers and outside fire escapes. A separate building for nurses was recommended, plus the establishment of a dairy large enough, at least, to supply the

needs of the home. Establishment of the dairy was recommended to be done immediately.

The Grand Jury found conditions in the Court House over-crowded. A recommendation was made that an annex to the Court House be erected in order to relieve congestion. That the interior of the large court room should be renovated at once, was also recommended. Removal of the present wall covering in the court room and replacement with modern sound proofing and insulation material, was another recommendation.

New seat cushions on all the benches in the court room, are needed, the jury reported.

The Grand Jury acted on 41 bills of indictment, 38 of which were returned true bills, and two untrue. One bill was withdrawn by Assistant

District Attorney Willard Curtin.

The traverse jurors will report next Monday morning for duty, at the opening of the second week of criminal work.

**STATE LEADS NATION
IN ROAD PROJECTS**During Past Year Awarded
\$70,801,000 In Road
Contracts**VAST IMPROVEMENTS**(Prepared for the Courier
by the State Planning Board,
Department of Commerce)

Pennsylvania's success in developing the finest system of highways in our Nation and in supplying ever more favorable conditions for good living and progressive industry is highlighted by the record of State and local public construction published by the Federal Works Agency in August of this year.

During the past year Pennsylvania has led the Nation in the number of State and local public construction projects undertaken, the State Planning Board of the Pennsylvania Department of Commerce points out. The Commonwealth, from January through May, 1948, awarded \$70,801,000 for highway construction, as compared with \$48,095,000 in Texas, the second highest state, \$32,922,000 in California, and \$23,117,000 in New York.

In the same five months in 1947 the State had also led the Nation with a total of \$38,400,000 awarded in contracts for highway improvement.

In June, 1948, Pennsylvania awarded 236 new contracts for highway construction, the largest number awarded in the Nation. These contracts represented a total expenditure exceeding that by any other state government for highway improvement.

In May, 1948, the last month for which complete data are available, in addition to Pennsylvania's leadership in public construction by the State Government, it was third in the Nation in the record of public construction by county governments.

The development of our highways, the improvement of our educational and hospital facilities, and the large program of public improvement in our river basins, forest areas, and State parks assures the people of the Commonwealth that whatever economic storms may be faced by our Nation in future years Pennsylvania's high place among the great industrial and residential states will be maintained for these improvements of today will create the opportunities of tomorrow.

**EAGER TO ESTABLISH
GIRL SCOUT COUNCIL**

It is Estimated That \$15,000
Will Be Needed For Executive Director

DRIVE STARTS OCT. 25

It is estimated that \$15,000 will be needed to establish a Girl Scout County Council with a paid executive director, who has been trained by national headquarters and who will reside in Bucks County.

This information was given at a meeting of 100 leaders, troop committee chairmen and workers by Ammon S. Rosenberger, Quakertown banker. The meeting was held at Doylestown. Rosenberger is financial chairman of the drive for funds.

The drive will get underway October 25 and last until October 31. It is pointed out there are 1,325 Girl Scouts in the county and 61 troops.

Mrs. Samuel Frantz, Warrington, presided at the meeting and Mrs. Pauline Buckingham, Washington's Crossing State Park naturalist, who spoke briefly, urged Scout leaders to bring their troops to the Delaware River Valley Park and have them enjoy the beauties of the various preserves.

"Penn's Woods" and the wildflower preserves are not only beautiful to visit, but they can become

projects of nature study," Mrs. Buckingham said.

Mrs. C. Harvey Stillwagon, of this place, was chairman of the hostess committee. Claire G. Blehm of Quakertown, a member of the Bucks County Bar, also attended the meeting.
